

# Indoor Vendor Booth Layout

■ = Approximate location of column in vendor hall

\* All vendor booths are 8' x 10'

\* Booths 41-46 do not have a back side, but will allow vendors to speak with customers on two sides (or three if you choose 41 or 46). These booths will still include a skirted table and shorter pipe and drape.

\* Columns measure approximately 2'-3' on each side.

\* Roll-up doors will be closed throughout the fair.
